Additional Prints

In addition to the 8x10(s) included in the sitting fee, you can order more prints in a variety of finishes and sizes. All prints are premium quality, made to my specifications.

- ❖ **Heirloom Portraits** are printed directly on canvas, and wrapped around a stretcher. They come with hardware attached and can be hung directly on the wall or you can have them framed. They make a beautiful addition to any home.
- ❖ **Mantle Portraits** are photographic prints that are mounted on archival board. They are ready to be framed.
- ❖ **Gift Portraits** are also photographic prints and come in smaller sizes. They aren't mounted and make perfect gifts or keepsakes.

Christmas Cards

What would Christmas be without Christmas Cards? This year I'm offering three options:

- ❖ **5x7 Folded greeting cards.** These included a variety of design options, a choice of paper (luster and linen), and they come with an envelope. If you are interested in this option, I can send information regarding layouts.
- ❖ **4x6 prints** that can be included in a card or note. These are the same, high quality prints that I always provide, just offered at a better value because of the quantities ordered.
- ❖ **The digital option** acknowledges that there are so many card options out there. In fact, it's nearly impossible to keep up with them. Using this option, I provide you with a digital file, and you can have Christmas Cards printed at the vendor of your choice.

Folded Greeting Cards		4x6 Prints	Digital Option
5x7	\$90./25 cards	\$55./25 prints	\$1./card printed

Please note that retouching is not included in any of these prices. Please ask at the time you place your order and I can get an estimate.

Digital Files

Currently, other than the digital option with Christmas cards, I do not sell the digital files. However, if requested, I will provide a low-resolution file of the one(s) from which you ordered prints. These are strictly for personal use, to be uploaded to social media or the like.
