 All new lessons every class - here are some samples of what's coming up in the weeks ahead!

Young Rembrandts Lesson Summary

FAMILY CHARACTERS
Develop new characters by observing people around us. Learn how to show different members of a family. We draw with family traits to show that they are related. Adding details and props reflecting each personality.

IGUANA
Draw this iguana. We portray our reptile friend sitting on top of a rock. Line in lock with pretty spikes. To tone with sharp claws. We apply a striped pattern to its long, curly tail. Bold, vibrant colors.

PIXEL BLOCK CHARACTER
Draw this pixel block character. Inspired by the popular, block-building game. Learn to draw a stylized figure in a three dimensional environment.

SCARECROW
A character that is often associated with the fall season. This scarecrow stands in a cornfield as he protects the crops. Colorful patterns detail his scarecrow clothing. Add details and corn stalks.

PUMPKINS ON VINE
A seasonal fall image featuring colorful pumpkins. Our pumpkins are different sizes. Their ribs divided with curved lines. We fill our multi-layered composition with leaves and vines. Apply shading and color.

ACTION DOGS
Draw three fun dogs in action. We learn how to draw their bodies and faces, leaping in the air and flipping dynamic poses. Our cartoon dogs were placed in interesting settings.

Your child will learn these skills and techniques during Young Rembrandts' classes. Each week your child draws new images, learns new vocabulary and has fun discovering art and the Power of Drawing!
