

# Chess Scholars

Winter 2022

Whittier Elementary

No Experience Needed

Grades K-6

*One or more parent volunteers (depending on enrollment) will be needed to observe all the classes. If you are interested, please contact us at [info@learningmeansfun.com](mailto:info@learningmeansfun.com). The first one or several parents to email will receive a free registration for the enrollment of one child.*

Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity.

Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will learn under the guidance of an experienced Chess Scholars coach.
